

RHYTHMIC FOUNDATIONS: 8-Week Drumming Program

Whether you are brand new to Djembe, have some experience or are a seasoned player who would like to brush up on technique and continue to learn & share regularly in a group, this program will meet you where you're at, and take you where you want to go!

Each class will include:

- Learning West African Ensemble rhythms, Global Grooves & accompaniment parts on World Percussion; claves, bells & shakers – *infused with your own creativity and unique 'voice'*
- Developing hand drumming (Djembe & Dundun) techniques
- Improvisational music-making
- lots of laughter & FUN!

No previous drumming experience required!
Djembes provided, or bring your own.
